아름답고 처연하고 그래서 애절한 이야기가 펼쳐집니다.

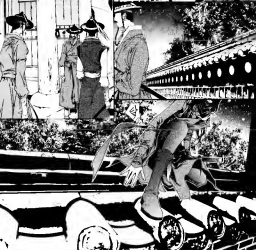

Is the medicine
for the king ready?

Then proceed.

Unlike outer palace
where it was heavily
guarded by imperial
troops.

Inner palace was
void of souls as if
it was abandoned.

This place was
supposed to be
where the king of
the country resided.

But on that day
it was like that...

The king is -

Here.

There you are.

me change clothes...

You arrived at
a good timing.
I was looking for
a hand to help
me....

Clothes ...

I'd like ...

To be killed as
a woman rather
than a fake man.

A king who was
forced to remain
in a veil.

A king who had to
be erased from
pages of history

A tragic king.

It is a story of
my king ...

Year 1461

Crown princess!
congratulations!

Ugh!

It's a twin!
A prince and
a princess ...

Mama!

"It's rather difficult to tell
twin brothers in Rome.
Can the newborns
stand alone now?"

No!

You must ...
let her live ...

You must ...

Just because
she was born
female ...

That should
not be a reason
to be dismissed.

You must let
her live,
mother ...

Impossible.

The distance
between men
and women is
like the sky and
the ground.

Allowing her to
live on will be a
disgrace as well as
a curse to the
country.

Therefore,
traditionally,
if a twin of
opposite gender
is born,

It has always
been considered
taboo.

Therefore,
the princess -

3 years later,

Won-soon mama !

Won-soon mama is
not breathing !

Must be removed !

I cannot ...

Mama!

Loss my two
children like
this, mother...

I had ... a dream.

I've never told
anyone about it...

I was looking down
on two dead baby
lions.

I pitied rather than
feared the situation.

In the end, I touched
one of the dead lions.

Then the lion
came back to
life.

Do you realize
what you are
saying ?!

We must
call a doctor
now!

I said, there is
no need for one.

I see.

I will revive the
prince.

Just like how
I revived the
lion in my dream,

I will revive
my son.

I am dying ...

I cannot have
another child...

Losing my
son ...

And losing
daughter ...

I cannot let her
rot in darkness.

Your other child
is a bitch !

Do not call her
a bitch !

At least not in
front of me,
mother !

Batch or not,
she is nevertheless
my child ...

Do not tell me you
are thinking what
I am thinking !

If it is, then no !
I cannot let you do
that !

It will quake the
entire country !

You will not be
reviving Won-son
mama !

You will be killing
everyone in our
bloodline !

I ...

Am already
in the Hell.

No secret can last
forever !

It will be revealed !
It's only a matter
of time !

All I can see
is ...

A smile from
my revived
child ...

We managed
to save her life
by sending her
out of the
palace

unseen !
You will be
killing her
ultimately !

Please listen to
your mother just
this once !

Bring her here.

Crown princess!

Bring my daughter...

Who was taken
away from her
mother ...

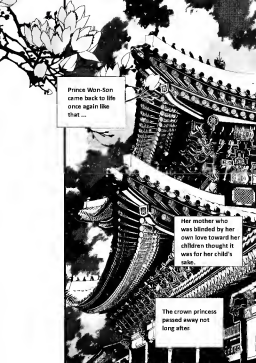

Brutally.

Unless you wish to
see your own daughter

Die right in front of
you right now -

Bring her to me
now !

Prince Won-Son
came back to life
once again like
that ...

Her mother who
was blinded by her
own love toward her
children thought it
was for her child's
sake.

The crown princess
passed away not
long after

Are you alright?

Did you try to catch the rabbit?

But you are yet too young, mama.

You won't be able to outrun a rabbit just yet.

You should wait until -

you become old enough to wield a bow.

What are you saying ?!

I did not mean to
kill a life !

The rabbit had
blood.

I just ... wanted
to see ...

Mama, was this
what you were looking
for ?

It is already dead.

Get it out of
my face.

It seems it was
attacked by wild
dogs.

Let's go !

.....

It seems the
prince has a
tendency of
mood swing.

He was out of
his breath

Looking for the
wounded rabbit.

Once he sees it dead,
he lost his interest
in it at once.

Courtly

Yes, mama.

I want everyone
to leave except
for you.

You can cry freely
now ...

Logically,

Yes, normally,

He seems rather

It's Je-Ah mama

Why are you not

Of course,
everyone
expected this

I am sure he was
afraid and wanted
to avoid it ...

I am sure ...

It is said that the crown prince is actually more interested in Je-An instead of Wonson.

In this case ...

The queen mother may decide this.

We wanted him to stay low and live normally ...

But he may have to ...

You look

Don't !

Don't !

Lady Choe.

Yes, your
highness.

Don't do this
to me !

There is
something
I found
interesting.

Which earned
your curiosity,
are ?

Young eunuchs
peed while
standing.

It looked like
fun !

Should I ...
try that also ?

Please, that is embarrassing to even talk about.

Those nuruches have very low social rank. That's why.

Oh, I see.

So, that's why - I

Oh?

But noble boys -

And a prince like yourself shouldn't do that

Their social
rank is low ...

That's why their
pee came from
a different
location !

Grandmother?

Your
highness...

You must
listen very
carefully about

What I am going
to tell you now...

You are
hurting me...

You are ...

Actually...

Grandmother,
you are hurting
my hands.

Actually...

Actually...

Fe...male ?

I don't understand.
I am a prince.

And a prince is
a male.

YES !

You are a
prince !

That won't change !

You were raised
to be a prince !

And you will live
on as a prince !

You were born as a female,
but you have to live on as
a male.

That is your fate.

Mama?

"If they ever find out
that you are a female..."

Worson mama!

"Everyone, including you,
who knew about the fact
will be executed at once!"

You must
hide the fact.

No one other than
lady Choe and me
knows the fact.

You must even
hide ... this from
your father also.

You must
not let anyone
find out !

And you
must not speak
anyone, even to
us, about this
from now on !

No ...

I cannot...

No ...

No one must
not say such...

No one ...

No one -!

Your highness?

I am ... scared...

Scared ...

Don't ...

Leave me alone ..

Don't leave me
alone ...

...

... Aye.

As you wish.

I won't ...

Leave you alone.

I will never ...
leave you alone
again.

Honestly, I don't know
why I swore such an
oath.

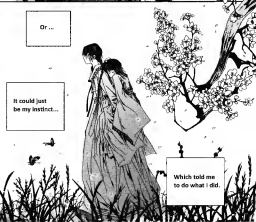

Maybe, I did so
because I met
a soft person
who held the
title of a prince -

and could not
withstand the
pressure.

Or ...

It could just
be my instinct...

Which told me
to do what I did.

We both had
something in
common.

We had to kill
ourselves bit
by bit everyday

For survival...

How is he ?

Since he fell
into a cold
pond,

It looks like
he caught a
cold.

His pulse is
a little fast.

But once his
fever is subsided,
it should return
to normal.

Nothing to worry
about, I would say.

Sire, would you
like to go inside?

No.

A doctor
entered.

A man would not
die because he
fell into a pond.

He is the father!
How could he?!

This panel shows three characters. On the left, a young woman with dark hair and a floral patterned kimono looks down with a sad expression. In the center, a young man with dark hair and a similar kimono looks forward with a shocked or intense expression. On the right, an older woman with a traditional hairstyle and a kimono looks on with a serious expression. A bright, starburst-like light emanates from behind the young woman on the left.

I've heard that the
crown prince does
not favor Wonson
mama very much...

This panel depicts a scene in a traditional Japanese setting. In the foreground, a man in a kimono and a tall, dark eboshi hat is shown in profile, looking towards a group of people. The group consists of several women in traditional kimonos and a young girl in a patterned kimono, who are standing in a courtyard with a stone path and a large tree in the background. One woman is holding a large, round object, possibly a drum or a large bowl. The scene is set during the day with some shadows cast on the ground.

Please stop.

Let us go.

You lose nothing
by -

Paying your son
a visit before you
leave.

That would be your
duty as your father.

It should come
before your duty
as the crown prince.

Your son is
right there -

Suffering from
high fever right
now.

Do you want...

Others to whisper
that he has a father
who cares little for
his son ?

Hmm,
mis...
understanding.

Do you want such
a misunderstanding?

That was an
interesting way
to describe your
point.

Yes, I am the
example of
this country,
for I am the
crown prince.

Do you wish
for others to
speak that

I was scared
by a girl and
turned my
direction ?

No !
It would not
be me who
turned you
away.

People would
whisper that it was
Wonson mama !

Who is your son !

What ... did
you just say ?

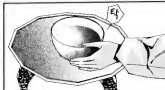

The maiden
who carried you
back here.

She bluntly
said that to
the crown
prince !

She did ... ?

Ef

She ...

Really said
that ?

You ! I felt like
my heart shrank
to a size of a
bean !

Yet she spoke
out loud without
blinking and -

Talked about
"father's duty" !

She must have
another life to
spare.

What happened
to her afterwards?

I thought the crown
prince would shoot
at her but

He simply laughed.

And the maiden
simply walked away ...

Well ...

There is Sun out
now instead of
Moon.

You should be able
to see your face
clearly this time.

If you've
summoned me
to talk about men
and women,

I shall take my
leave right now.

Would you like to
go ?

You had been
concerned about
the rabbit.

I swear an oath
to you.

No matter
what happens-

I will not let go
of your hand!

*(Below is a direct
translation. The statement
can be understood as
"I will not let go of you no
matter what.")*

Where did you go
without telling anyone?!

I...

Pardon?

I think I can
trust and like
her ...

I think I finally, finally, found
a friend ...

I don't have to be
alone now ...

I won't need to be
scared anymore ...

Why are you
approaching
Wasson ?

If they find
out, you will
be in a trouble.

Well...

Sometimes you
do thing by
unknown
reasons ...

I think that's
what it is ...

I just hope ...

that I can keep my oath

and never let that hand go ...

The date has been
decided, they say.

January 2011

So, the queen
wins ?

Crown prince
is going to be
disappointed.

Please watch
what you say !

Why doesn't he
fear his son ?

His current wife
is not Womara's
biological
mother, you know.

And she wouldn't
care for Womara.

She has her
own son.

Will you please
watch what you
say!

In the end ...

He has no one ...

Were you disappointed?

Oh...?

Pardon?

Please
excuse me.

I wasn't listening
very well.

I believe you
have heard of
a rumor -

Where I didn't
want you to be
my heir.

That is -

Something too
complicated for
you to understand
for now.

I am quite alright
with being a bad
father for the
moment.

When you
became my
heir,

When you
inherited the
throne one day.

I want you to
be able to
understand

me not as my
son but as
another king

About what I
could not tell
you today right
here.

... I was
aware of
the rumor.

But I couldn't
understand what
he was trying to
say.

What was that
he wanted to
tell but couldn't?

Mama -

Yes ?

That is not
important right
now.

What did you
feel -

When you were
having tea with
him?

Did you feel
uncomfortable
about what he
said?

What?

... ..

Well ...

No !
I was actually
very excited !

i've always
thought that he
was very strict
and all.

But during
the tea time,

He was very
kind to me.

And for the first
time ...

I could see my father's
face closely.

... Did you
know this ?

As you grow up ...

You are resembling
your mother more
and more.

I've had ... often
this thought:
"What if we were
born just as a man
and a woman?"

Pointless thought.

However, if so

We could have
been a better
couple.

Although being
born in a high
noble family

bridged her
fate with mine.

But that also
made her
live a lonely
life

And left this
world alone.

For the
first time...

He told me ...

About mother
I didn't know
about.

When he was
talking about
mother,

His face was -

On that day ...

I will probably never forget
the tea time I had with him.

It looks like
I was wrong.

What?

It looks like he
does care for his
son.

I can tell what
he thinks of you

By looking at
your face right
now.

You called
me ?

I think it's time.

Before Wonsan
becomes officially
a prince,

I will talk to the
king about you.

The king no longer holds any ire about the past.

In fact, he seems to regret the outcome, especially about your mother.

Now is the perfect time to bring you out from shadow.

Be prepared.

Once your rank
is restored,

You will be able
to live with
your mother
once again.

"You will also be able
to leave the palace."

Leave
here ?

Yes, like she
said, if my
social rank is
restored,

I can enter here
as a man !

I will be able
to enter and
leave the palace
as I please !

Which means
I will be able to
get closer to
the prince !

And without
being dressed
up like this ...

But ...

Will he let me ?

Will he let
a man
approach
him like
now ?

I am not certain !

I...

Oh!

am not
positive...

I just don't
think ... !

... This is ?

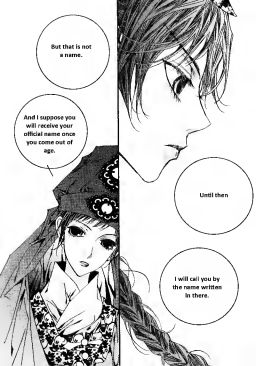

It has come to
my attention
that I know
nothing about
you.

All I know is
that you stay at
the guest house.

And that they
simply call you
"guest lady".

But that is not
a name.

And I suppose you
will receive your
official name once
you come out of
age.

Until then

I will call you by
the name written
in there.

... Your highness?

I will be calling
you by that
name.

Even when
you are given
your own
name,

I ...

Will call you by
this name !

[lotus] [Gih]

Yeon Seon

연세원 선원

If the name, Yeon Seon is would
mean a pink growing lotus.
It probably means
I love with you :)

Visiting
these lotus
has allowed
to meet you !

I felt that this was
the perfect name
for you.

Please excuse me for
what I am about to do !

I don't think
I can keep my
promise with
you for a bit.

And I apologize I

The promise
that I'd stay
by your side...

I will be absent
for only a while !

I will be back !

I return !

And so, I disappeared
from the palace
completely like that.

Isn't this too early?
The king has just
passed away.

And thus
he has become
the crown prince
automatically.

Now you want
to officially
announce his
status and hold
the ceremony?

We must
ensure the
safety of

royal bloodline!
It's never too
early!

But the king is
still very young!

I will ...

no longer visit here
from now on.

Yeah ...

Seon ...

This is ...

the last time we
meet.
